COMES NOW, **Jennifer Dubrow**, being first duly sworn under oath, and respectfully requests the right, guaranteed under the Sixth Amendment, of self-representation in **Case #22-1-00410-37**, including the right to preserve actual control over this case at all times.

This right is requested:

- **timely** – **April 22, 2022** arraignment in **Case #22-1-00410-37**
- **unequivocally**
- **voluntarily**
- **intelligently** – I have a bachelor's degree from WWU, am skilled with technology and in researching, and have considerable knowledge of the criminal justice system from my work proofreading for court reporters. After proofreading thousands of deposition and court transcripts, I have learned and absorbed considerable knowledge about the legal field and court decorum, protocols, practices, and procedures, which I will abide by and follow, to the best of my ability.
- **knowingly** – Only I have the intimate and detailed knowledge about and evidence of 100+ unanswered appeals for help; refusals to enforce laws; ignored and uninvestigated complaints about endemic corruption and incompetence; and selective enforcement of rules since February 2021.

Only I have the ability to competently and thoroughly examine or cross-examine witnesses and perpetrators (**Executive Satpal Sidhu; Whatcom County Prosecuting Attorney Eric Richey; Whatcom County Councilmembers; WCSO Sheriff Bill Elfo and Officers [Larson-Coolley, Thompson, Rathbun, Baker, Klix, Linderman, Jilk, et al.]; Whatcom County Planning & Development Staff; Glenhaven Lakes Community Boardmembers**) about their encouragement and support for Reuben Joe Sanchez and his family's relentless and debilitating campaign since February 2021 of harassment/stalking, trespassing, violations of protection orders, theft, threats to kill, and attempts to kill.

I declare that, to the best of my knowledge and belief, the information herein is true, correct, and complete.
