

**NARRATIVE:**

PRIMARY

CASE TITLE: Shots complaint.

EVENT DESCRIPTION:

On 10-3-20 at approximately 0130 hours, I was dispatched to a reported shots being fired across the street from 4590 Sand Rd.

I responded to the area and could hear gun shots being fired sporadically. I determined the shots were coming from 4575 Sand rd.

Deputies James, Taddonio, and E. Brown assisted me as I contacted 3 individuals using flash lights in the back yard of the residence.

The males were identified as Jeremy BYEMAN, [REDACTED], and Apollo SCOTT. Jeremy stated he had been shooting raccoons that had been eating his chickens. Jeremy showed me his 2 shotguns and a BB gun. I could also see a dead raccoon with an obvious bird shot shotgun wound on his side laying on the ground.

I talked with Jeremy about hours of quiet and about how it wasn't a good idea to shoot guns after he had any alcohol. Jeremy stated he understood. Jeremy had been shooting in a safe direction.

There was a raccoon who was wounded hiding under a rock. I dispatched the raccoon with my patrol rifle.

We then cleared the area.
