On 01/14/2010, at approx 2100 hours, myself and SGT MCILRAITH contacted Whatcom County Sherriff's Office to assist with the warrant arrest of REUBEN SANCHEZ. SWPD had obtained an arrest warrant for REUBEN, #10-1-00040-1.

SGT MCILRAITH and myself me with WCSO units at the Alger Shell station, and they led us to REUBEN's address at 732 West Road, Sedro-Woolley, which is located in the Glenhaven development, in Whatcom County.

On arrival, WCSO units assisted with containment of the home. SGT MCILRAITH rang the doorbell, and a short period of time later REUBEN answered the door. I introduced myself as Sedro-Woolley Police, and informed REUBEN we had a warrant for his arrest. I informed REUBEN he was under arrest and ordered him to place his hands behind his back. I handcuffed him, gauging them for tightness using my fingertips, and double-locked them.

A pair of shoes was obtained for REUBEN, and I assisted him with putting them on. REUBEN was very upset, and was yelling and cursing at me and the other officers. REUBEN wanted to know what he was being arrested for. I informed him we had a warrant for Burglary 1st Degree and Stalking. REUBEN said he was not a burglar, and he didn't stalk anyone. I informed REUBEN that he had the right to remain silent, and he had the right to an attorney at this time. I escorted REUBEN to my patrol car. While we were walking, REUBEN was walking very fast, I held him back by his arms, and told him to relax. REUBEN continued to try to pull away from me, and was straining very hard against his restraints.

I secured REUBEN in the back of my patrol car. REUBEN was complaining his handcuffs were too tight, saying "you tightened them as tight as you could on me you asshole". I asked REUBEN to step out, and I checked his restraints again. I could see REUBEN was straining against the handcuffs, with his arms pulling very tight. After some prompting, REUBEN did relax, I checked his restraints again with SGT MCILRAITH witnessing I could slide my index finger between the handcuffs and the wrist on both hands. REUBEN was secured in the back of my patrol car.

I read REUBEN his Constitutional Rights from my dept issued Miranda card. REUBEN talked over top of me, saying he knows his rights and saying "blah blah blah". I asked him if he understood, he said "you have no idea what you're talking about". I asked him if I needed to repeat them, he said he understood. I asked him if he wanted to talk to me now, he said "I'll talk to you about how you can suck my dick". I closed the car door.

I transported REUBEN to the Skagit County Jail. During the transport he said he wanted to know how and where he committed the crime. I told him I did not know the details, however, I would be happy to talk to him at the jail after I read the case. REUBEN told me that we were all wrong, and Judge Meyers was a liar and should be arrested. REUBEN continued yelling profanities during the entire trip, and once stated "that was a chicken-shit move, I'd beat your ass with all of the stuff on your belt". REUBEN also made derogatory remarks towards myself and my family.

On arrival at the Skagit County Jail I requested deputies to assist. 2 deputies met me in the sally port and took custody of REUBEN. He remained argumentative

throughout the booking process. I signed the warrant as served, no further action taken.

I transported REUBEN to the Skagit County Jail.

On 01/14/2010, at about 2100 hours I contacted Whatcom County Sheriff's Office to assist with the warrant arrest of REUBEN SANCHEZ. SWPD had obtained an arrest warrant for REUBEN, #10-1-00040-1, stemming from case #09-W07856. REUBEN's address is at 732 West Rd in Whatcom County, therefore I requested assistance.

OFC ELLIS and I met up with the WCSO Deputies at the Alger Shell station, and they led us to REUBEN's address at 732 West Rd, Sedro-Woolley, in Whatcom County. I provided deputies with a copy of REUBEN's mug shot and showed them a copy of the arrest warrant, issued for Burglary 1st DV and Stalking DV.

On arrival, WCSO units assisted with containment of the home. I rang the doorbell with OFC ELLIS standing on the other side of the porch. As I rang the doorbell I could hear foot steps coming to answer the door. REUBEN answered the door and OFC ELLIS introduced himself as Sedro-Woolley Police, and informed REUBEN we had a warrant for his arrest. I informed REUBEN he was under arrest and ordered him to place his hands behind his back. I handcuffed him, gauging them for tightness using my fingertips, and double-locked them. REUBEN's immediate response was "What for? You have no evidence!" REUBEN was secured in handcuffs while on the front porch.

The door was left open and REUBEN said to just close the door. I noticed REUBEN had socks on and no shoes. I saw a pair of shoes sitting in the door entry way, so I grabbed them for REUBEN to wear. I noticed a set of keys on the end table next to the front door. I saw what appeared to be the house key, so I took the keys and was able to dead bolt the front door.

REUBEN was very upset, and was yelling and cursing at the officers on scene. REUBEN wanted to know what he was being arrested for. OFC ELLIS informed REUBEN we had a warrant for Burglary 1st Degree and Stalking. I showed REUBEN the copy of the warrant, and he said lets go then. OFC ELLIS escorted REUBEN to his patrol car while REUBEN was still cursing at officers. OFC ELLIS attempted to read REUBEN his constitutional rights while walking. It was decided to finish reading the rights when we got to the patrol car as REUBEN was walking fast and OFC ELLIS had to hold him to slow down. REUBEN continued to try to pull away from OFC ELLIS.

OFC ELLIS secured REUBEN in the back of my patrol car. REUBEN was complaining his handcuffs were too tight, cursing at OFC ELLIS. OFC ELLIS asked REUBEN to step out, and he checked the tightness of the restraints again. I observed OFC ELLIS check them by using the index finger method. I could see REUBEN was flexing and straining his wrists against the handcuffs, with his arms pulling very tight. REUBEN was secured in the back of my patrol car.

I was present when OFC ELLIS read REUBEN his Constitutional Rights from his pocket Miranda card. REUBEN was talking over OFC ELLIS swearing and saying "blah blah blah". When asked if he understood his rights he eventually said yes. REUBEN continued to curse at OFC ELLIS.

OFC ELLIS transported REUBEN to the Skagit County Jail to be booked on the warrant.

When I returned to the office I contacted BRANDY SANCHEZ-MONTNEY to tell her REUBEN was in custody in reference the Burglary case. I left a message and she promptly returned my phone call. BRANDY wanted to know what he was arrested for and the charges. BRANDY said she never wanted to press charges, and although she never expressed verbally in exact words that she is in fear for her safety if REUBEN was released, I definitely got that impression. BRANDY said this was going to make matters worse. I asked BRANDY if she had spoken to the prosecutor in this case. BRANDY said she had several times, and they don't seem to care because of REUBEN's criminal history. I advised BRANDY to contact the superior court prosecutors office tomorrow morning.

BRANDY asked if she could talk to REUBEN. I told her that she could not and reminded her of the No Contact Order. BRANDY wanted to know his visitation times, and I again told her she could not go there for visitation due to the No Contact Order. BRANDY asked if REUBEN could get out of jail. I told her it was possible as there was a \$50,000 bail.

It definitely appeared that BRANDY was if fear for her safety if REUBEN was to be released. I provided BRANDY with the web address VINELINK.COM and phone number (877)846-3492, so she could arrange for a victim notification if REUBEN was to be released. BRANDY thanked me, but then said she hoped to talk to me again in a sarcastic voice.

These reports will be forwarded to the prosecutors office in relation to the originating case.
