

# COMPLAINT TO USPS RE MAIL RESTRICTION VIOLATIONS (PUTTING MAIL IN MAILBOX WITH NO POSTAGE/ENVELOPE) BY VADIM KASKO

**(FINES MAY BE AS HIGH AS \$5,000 PER INDIVIDUAL)**

**December 2021 - Letter placed in my USPS-administered mailbox (and believe it was also placed in the mailboxes of the other 1200+ members in our HOA), with no postage and no envelope.**

Dissolution of Glenhaven:

The people of Glenhaven do not yield their sovereignty to the agencies that serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people and what is not good for them. The people are tired of paying dues for little or no benefit. Tired of strict and dumb rules, Uneven and unfair enforcement. Long delays in getting approvals to do minor tasks on your own property! People sticking their nose where it doesn't belong!

Join the group and help recruit and organize people to help dissolve this useless association.

Our first task is to get 2/3rds of the people to vote to get this through. Once we have enough people it's a simple task after that.

This link contains the excel spreadsheet list of people who plan to vote in favor of dissolution.

### Additional Information

max size 1000 characters

A letter with no postage and no envelope was placed in my USPS-administered mailbox in December 2021 (and, I believe, the mailboxes of the other 1250+ residents in our community) to harass and threaten me and other residents, in coordination with a mob of criminals/neighbors who have been harassing/stalking, trespassing on my property, and threatening/trying to kill me.
